## Featured Speaker at the Saturday Banquet

Presentation: **“Operation Migration”**

- Author, sculptor, filmmaker, inventor, pilot, naturalist, and entrepreneur
- Best known for his work with an ultralight aircraft and a flock of Canadian geese
- Aircraft-led migrations were successful in teaching the birds a safe migration route
- Award-winning video “C’mon Geese”
- 1996 Columbia Pictures feature film “Fly Away Home” with Jeff Daniels
- Best-selling autobiography “Father Goose”

In 1995, the Board of Directors of the Canadian Aircraft Owners and Pilots Association awarded Lishman their highest honor, the AOPA Award for contributing the most to further general aviation in Canada during the previous year. Similarly, in 1996, Bill received Odyssey of The Mind’s prestigious Creativity Award, which he shares with the likes of Walt Disney, Chuck Jones, and NASA.

## Special Guest Presentation Speaker

**Frank Douglas Boring**

Special Guest Presentation (2 Shows Only): **“Talking With Tigers,”** a one-of-a-kind lecture and multi-media event. Frank interweaves archival film footage of the Flying Tiger pilots with footage of pilot interviews and mixes it with insider details to bring this period of world history to life

Over fifteen hours of film footage shot by members of the Flying Tigers in Burma and China. His talk is laced with interesting stories and little known facts gathered from his eleven years of research on the Flying Tigers.

“Fei Hu, The Story of the Flying Tigers” with Frank Christopher. This documentary aired nationally on PBS as part of the “History’s Best on PBS” series.

This special multi-media event will be held Friday evening and Saturday afternoon only. **Don’t miss it!**

## Featured Kickoff Luncheon Speaker

Presentation: **“Aviation: The Future Isn’t What It Used To Be”**

Former Executive Director for the Presidential Commission on the Future of the United States Aerospace Industry, will discuss the forces shaping the future of aviation and describe how the Commission’s vision for the future and actions underway in government and industry will affect your business and travel plans.

- Senior Policy Advisor for Aviation for the National Science and Technology Council (NSTC), in the Executive Office of the President
- Huettner negotiated the strategic alliance between FAA and NASA
- Associate Administrator for Aviation Safety at FAA
